

DOUBLE SEAM EVALUATION CLASS

TWO - SIX HOURS CLASS* | \$50/person**

SILGAN Technology Center | 1190 Corporate Center Drive, Oconomowoc, WI 53066

ABOUT DOUBLE SEAM EVALUATION CLASS

- 2 - 3 hour class for general knowledge of how a Double Seam is formed and evaluated for commercial acceptability.
- 4 - 6 hour class will include the above mentioned material and detail instruction (hands-on) on how to utilize the tools for performing Double Seam evaluation.

*Textbook included. **Minimum of four participants.
Maximum charge capped at \$750/class.

WHO SHOULD ATTEND?

This is a refresher course focusing on the retort process. This includes wrinkle school. You will focus on ensuring can is hermetically sealed ensuring the lid is not too loose or too tight. This will include testing and certification for double seam evaluation. Therefore, this is important for mechanics, seam checkers, quality control and quality analyst.
